

What can you do with a Physiology major from SPU?

The Physiology major at Seattle Pacific University looks at how our cells, muscles, and organs interact, providing a solid foundation for grad school and pre-professional training for medicine, dentistry, optometry, pharmacy, veterinary medicine, and other health-related and applied biology fields.

Potential occupations include:

- Agricultural Researcher
- Pharmacist
- Dentist
- Physician
- Forensic Scientist
- Veterinarian

Suggested transfer preparation at North Seattle College

Associate of Arts (AA-DTA) with completion of the courses noted below, or an Associate of Science Track I (AST-I) with completion of the courses noted below plus a 15-credit Physics sequence.

Courses in the major you may complete at North Seattle College

North Seattle College Courses	Equivalent SPU Courses
BIOL& 211 Majors Cellular Biology (5)	BIO 2101 General Biology (5)
BIOL& 212 Majors Animal (5)	BIO 2102 General Biology (5)
BIOL& 213 Majors Plant (5)	BIO 2103 General Biology (5)
CHEM& 161 General Chem w/ Lab I (6)	CHM General Chemistry I (5)
CHEM& 162 General Chem w/ Lab II (6)	CHM General Chemistry II (5)
CHEM& 163 General Chem w/ Lab III (5)	CHM General Chemistry III (3) – and – CHM 2213 Inorganic Qualitative Analysis (2)
MATH& 148 Business Calculus (5) – or – MATH& 151 Calculus I (5)	MAT 1221 Survey of Calculus (5) – or – MAT 1234 Calculus I (5)
MATH& 146 Introduction to Statistics (5) – or – MATH 211 Elements of Statistical Method (5)	MAT 2360 Intro to Stats for Sciences (5)
<i>Consider taking the following courses:</i> BIOL& 260 Microbiology (6)	BIO 3351 General Microbiology (5) *

Note: Only courses with a regular grade of 1.7 (C-) or higher may count toward a major or minor.

**Indicates this course is not required, but will count towards the major's Micro (13-15 credits) requirement. Note that this course transfers to SPU as lower-division credit for the equivalent course.*

Admission to the major

If you identify the Physiology major as your first choice on your application for admission to the University, you will automatically gain entry to the major when admitted to SPU.

Learn more about the Physiology major and pre-professional health sciences at:

<http://spu.edu/physiology>

<http://spu.edu/physiology-reqs>

<http://spu.edu/pre-pro-health>

Get more information about transfer admission to Seattle Pacific University at <http://spu.edu/transfer>.

Courses to take at SPU

BIO 1859 Biology Cornerstone Seminar (1)
BIO 3325 Genetics (5)
BIO 3899 Scientific Literature (1)
BIO 4352 Cell Biology (5)
BIO 4899 Natural Sciences Seminar (2)
CHM 3371 Organic Chemistry I (5)
CHM 3372 Organic Chemistry II (5)
CHM 3373 Organic Chemistry III (5)
Select three Physiology Core courses: <ul style="list-style-type: none"> • BIO 4256 Environmental Physiology (5) • BIO 4410 Human Physiology (5) • BIO 4413 Animal Physiology (5) • BIO 4415 Plant Physiology (5) • BIO 4418 Neurobiology (5) • BIO 4419 Medical Virology (5)
Select three ¹ Molecular/Cellular/Micro Core courses: <ul style="list-style-type: none"> • BIO 3320 Principles of Development (5) • BIO 3350 Immunology (3) • BIO 3351 General Microbiology (5) • BIO 4325 Molecular Biology (5) • BIO 4420 Histology & Microscopic Tech (5) • BIO 4435 Biodiversity: Pests and Parasites (5) • BIO 4361 Biochemistry (5) • BIO 4362 Biochemistry (5)
Approved Ecology/Evolution course (5) ²
Approved Ethics course (3) ²

¹ Select two, instead of three, if BIOL& 260 transferred to SPU.

² See catalog or consult advisor for approved list of options.

Other requirements for the degree

In addition to the major, the degree requires completion of any remaining general education and University requirements, and at least 180 college-level credits total, including 60 upper-division (UD) credits.

All students must complete the University Foundations Requirement at SPU – even those who have completed the Direct Transfer Agreement (DTA) Associate Degree.

Students admitted with fewer than 90 credits (freshmen and sophomores) complete 15 credits:

UFDN 1000 The Christian Faith (5)
 UFDN 2000 Christian Scriptures (5)
 UFDN 3100 Christian Theology (5)

Students admitted with 90 credits or more (juniors and seniors) complete 10 credits:

UFDN 3001 Christian Scriptures (5)
 UFDN 3100 Christian Theology (5)

Suggested course plan for your junior and senior years at SPU

Assumes junior standing at entrance, with successful completion of BIOL& 211, 212, and 213; CHEM& 161, 162, 163; MATH& 146 or MATH 211; and MATH& 148 or 151, prior to transfer.

Junior Year			
Autumn	Winter	Spring	Notes
<ul style="list-style-type: none"> • BIO 1859 (1) • BIO 3325 -- or take this in winter. • CHM 3371 (5) • + credits to total 15 – 18 	<ul style="list-style-type: none"> • BIO 3325 -- if not taken in autumn. • CHM 3372 (5) • + credits to total 15 – 18 	<ul style="list-style-type: none"> • CHM 3373 (5) • + 10 – 13 credits 	<ul style="list-style-type: none"> • A one-year physics sequence (1101–1103 or 1121–1123), and MAT 1235 are recommended if you plan to apply to a post-graduate program. • Check the Time Schedule as most UD classes are offered in only one quarter and some are offered only in alternate years.
Any Quarter Offered: <ul style="list-style-type: none"> • Approved Ecology or Evolution course (5). • BIO 3899 (1). • Begin taking Physiology Core and Molecular/Cellular/Micro Core courses. • UFDN, general education, and University requirements. 			
Senior Year			
Autumn	Winter	Spring	Notes
<ul style="list-style-type: none"> • + 15 – 18 credits 	<ul style="list-style-type: none"> • + 15 – 18 credits 	<ul style="list-style-type: none"> • BIO 4352 (5) • + 10 – 13 credits 	<ul style="list-style-type: none"> • BIO 4418 and 4419 may be used in the Mol/Cell/Micro Core, if not used in the Physiology Core. • CHEM 4361 and 4362 are recommended, if you plan to take the MCAT.
Any Quarter Offered: <ul style="list-style-type: none"> • Approved Ethics course(s) (3 credits required). • BIO 4899 (2) – must be taken twice, for one credit each time. • Complete remaining Physiology Core and Molecular/Cellular/Micro Core courses. • Complete remaining UFDN, general education, and University requirements including enough credits to reach 180 total and 60 upper-division.
